

Welcome to the Pondera Shoots Sports Club

This program has been carefully prepared and the events scheduled and planned in accordance with the expected conditions and attendance. However, the management reserves the right to alter this program in whole or part at the time of the shoot.

The scorers will call out the scores after each post; it is your responsibility to correct any errors at that time. The score sheet will not be changed after the first shot of the next post of the contestant in turn.

The club will not tolerate verbal abuse of the trap help; if you have a problem please notify club management.

To keep the shoot running as smoothly as possible we would appreciate your effort to be on time for your squad.

No shooter will win more than one award in any one event or combined event.

PLEASE PRACTICE GUN SAFETY

THANK YOU....
